

WAPIMS-5

Review 2

Mining Auth Model
has Authorisation

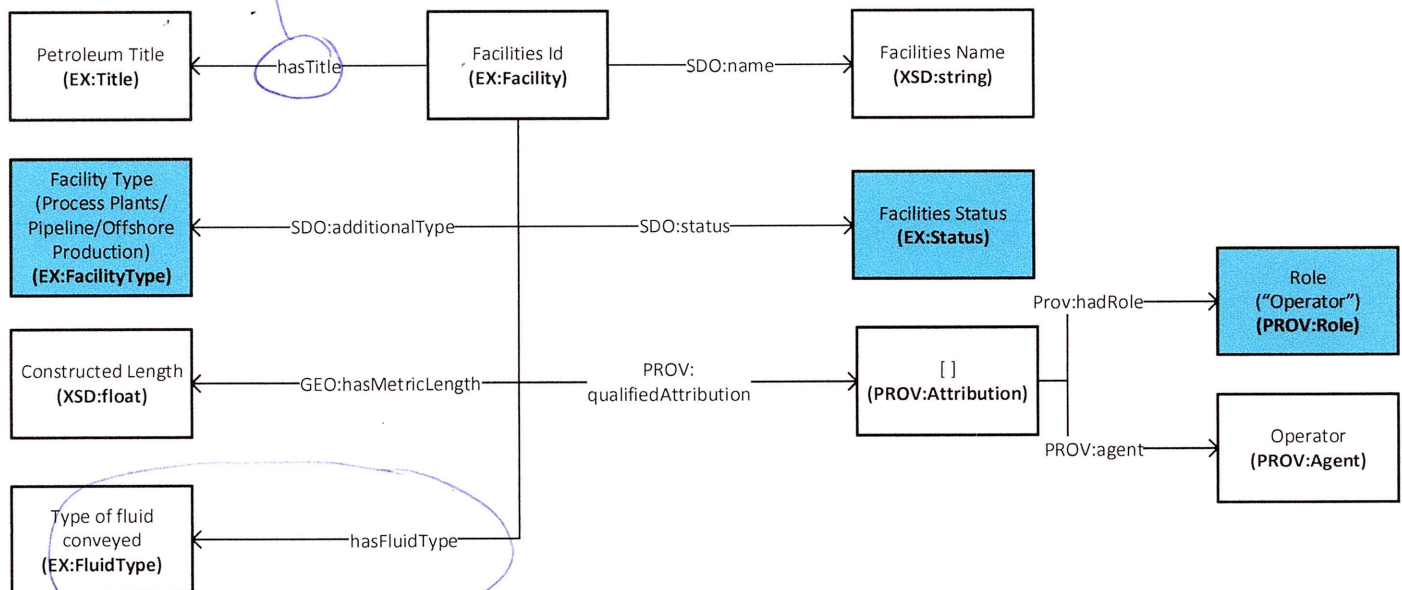

geo: sf Within

WAPIMS Titles

Mining Authorisation Model
has Authorisation

WAPIMS Facilities

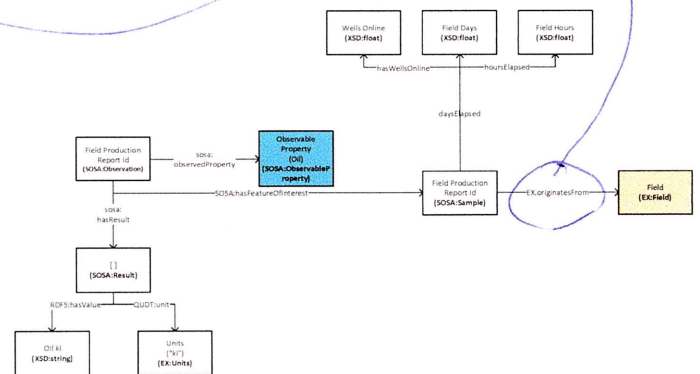

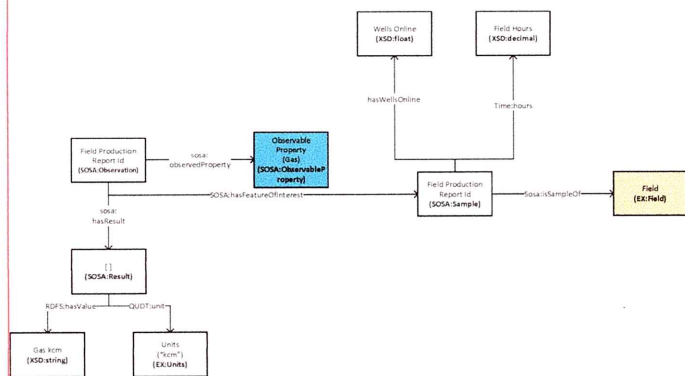

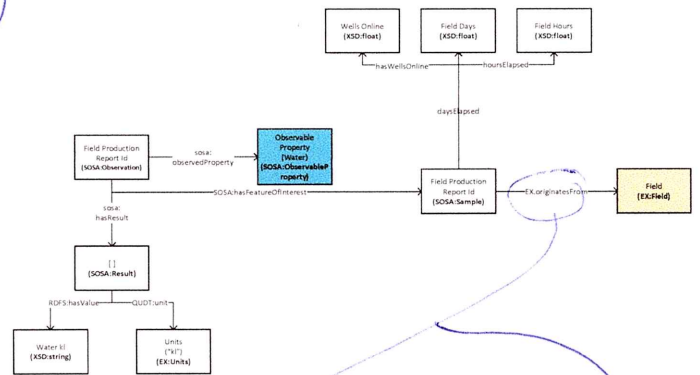

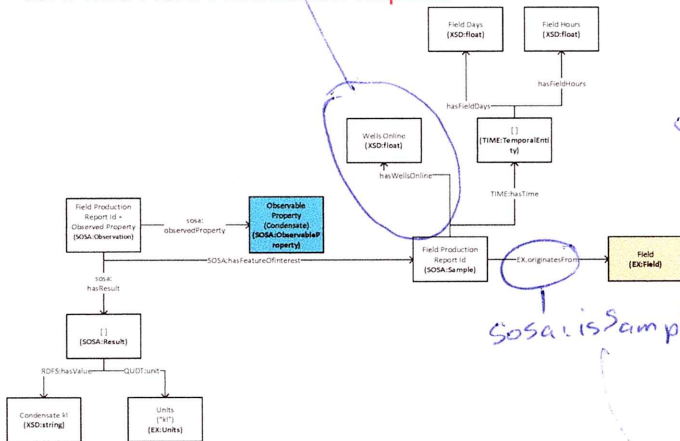

more info?

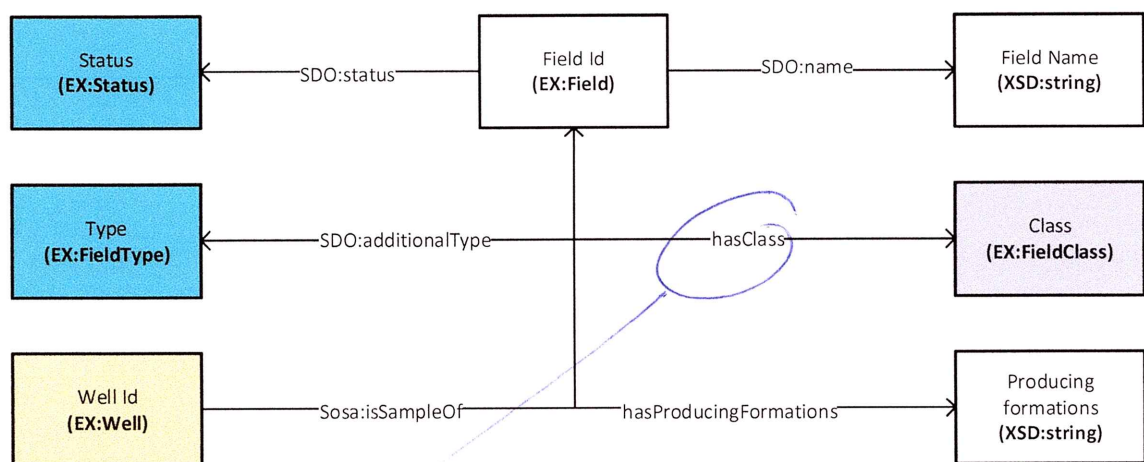

Is this a property of the Well that can be modelled elsewhere?

There is no date associated with this. Needed for ordering of well production.

WAPIMS Field Production Reports

WAPIMS Field

Could do another
schema:additionalType
with values from another
vocab.

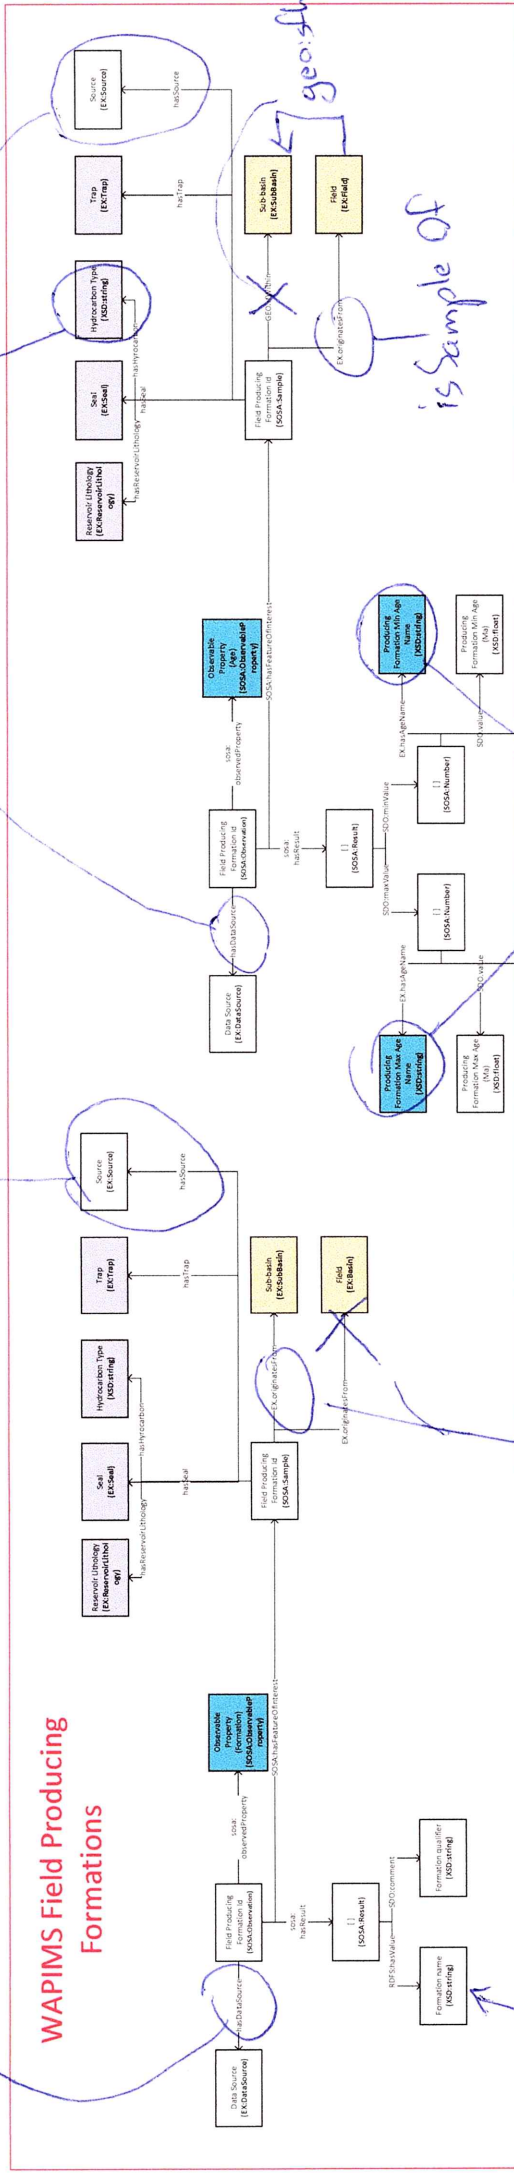

Can this be from a
vocab or is it a
written description?

vocab of hydrocarbon types

What kind of source is this, into source or on a system?

schema: citation

WAPIMS Field Producing Formations

Can this be from a vocab? looks like named objects

Not strings but IRIs of Concepts in ICS chart vocab
